

EASY ENROLLMENTS

What:

The *Easy Enrollments* program allows you to complete the new employee enrollment process through a simple phone call.

Why:

Just like the rest of the A Plus Benefits services offered, the *Easy Enrollments* program allows you to get back to your core business. You won't have to provide us with a room or space to come to your office and enroll the new employee. That employee can sit at his/her own desk and do the entire process over the phone.

With set times, you no longer have to worry about trying to find a time that will fit everyone's schedules. When your new employee starts employment, you can always count on a specific time when you will be able to do their enrollment.

Cost:

FREE! There is no cost to join the program. It is a free service offered to all A Plus Benefits' clients.

When:

Each Tuesday at 10:00 AM (Spanish Session), Wednesday at 3:00 PM, and Thursday at 10:00 AM, we will conduct an over-the-phone enrollment session. All that your employee has to do is call the number we provide and enter an access code. He/she will immediately be connected with the enrollment specialist and can begin the process.

How to Get Started:

At your scheduled meeting time, call the enrollment phone number and enter your access code.
